

Mary Eleanor Brackenridge served as an early regent for the College of Industrial Arts, now known as TWU. A pioneer for women's rights, Ms. Brackenridge helped form the Texas Women's Suffrage Association in 1913 and served as its president. Additionally, Eliza "Birdie" Johnson and Hellen Stoddard, both members of the Texas Women's Suffrage Association, were instrumental leaders in the women's suffrage movement who played significant roles in the founding and governing of TWU.

In honor of this shared history, today TWU will celebrate the 100th anniversary of Texas' ratification of the 19th Amendment and the role TWU played in the women's suffrage movement. As we mark this milestone, I am grateful to the leaders of TWU—past and present—who have made indelible contributions to the North Texas community.

IN HONOR OF ABBY DOLLIVER ON
HER RETIREMENT

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2019

Mr. COURTNEY. Madam Speaker, I rise today to congratulate Norwich Superintendent of Public Schools, Abby Dolliver, on a career in education spanning 33 years, including 25 in the city of Norwich. Her history of passionate leadership is rooted in a lifelong dedication to public service and has positively impacted the lives of countless students, faculty, and administrators.

Her commitment to Norwich Public Schools began in 1986 as a social worker. Abby assumed the role of Director of Student Services and Special Education in 2007 before her appointment to the position of superintendent in 2010. Her tenure has been marked by an enthusiasm for inspiring leadership in others and utilizing the unique qualities of those she oversees. As superintendent, Abby is proud of developing internal committee structures to encourage a greater sense of engagement among faculty. She regards helping to create a strong team and surrounding herself with talented, experienced members of the school community as her greatest accomplishment. Though major challenges included tighter budgets, the closing of three elementary schools, and the restructuring of the city's middle schools, Abby maintained an unwavering devotion to the needs of her students. In the midst of that turmoil she actually implemented innovative, successful magnet programs using state and federal resources to keep Norwich public education healthy and high quality.

Abby's background as both a social worker and lifelong resident of Norwich has enabled her to better understand the diverse perspectives of more than 3,500 students who speak over 25 different languages. Her legendary father, Stanley Israelite, instilled in her a devotion to public service that was focused on the best interests of Norwich's children. Abby describes the Norwich school district as "student-driven with kindness as the focus." The city of Norwich has benefited greatly from this history of dedication, and I am confident Abby will find new ways to serve the community for

years to come. I ask my colleagues to please join me in wishing her a happy retirement.

REINTRODUCING THE SERVICES
FOR ENDING LONG-TERM HOME-
LESSNESS ACT

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2019

Mr. HASTINGS. Madam Speaker, I rise today to reintroduce the Services for Ending Long-Term Homelessness Act, legislation that will help our nation address the long-term homelessness crisis.

Since the first Federal Strategic Plan to Prevent and End Homelessness was launched in 2010, rates of homelessness among veterans, families, and chronically homeless individuals have fallen significantly. Our country has successfully taken thousands of individuals and families off the streets. Unfortunately, last year, the homeless population in the United States increased for the second year in a row since the inception of the Federal Strategic Plan. According to the annual U.S. Department of Housing and Urban Development (HUD) Point in Time count, there were about 88,484 chronically homeless individuals and 8,429 people in households with children, for a total of 96,913 chronically homeless.

Allowing men, women, and children to live on the streets is not a standard America should be willing to accept. Unstable housing impacts the lives of millions of Americans every year and addressing this problem forthrightly, as this bill does, will help get chronically homeless individuals and families off the streets. I ask that you join me in prioritizing these efforts to combat long-term homelessness in our country.

Madam Speaker, this important legislation addresses our country's homelessness problem in the following ways:

Requires the Secretary of HHS to design national strategies for the establishment of supportive housing services and programs to assist in ending chronic homelessness and to implement programs that address chronic homelessness.

Requires the Secretary of HHS to make matching grants to eligible entities to provide services promoting recovery and self-sufficiency and augment the HUD-administered McKinney-Vento Homeless Assistance Grants.

Requires the Secretary of HHS to report performance outcome data on the projects carried out under the Act.

Madam Speaker, as you know, the most recent data available shows us that more than a quarter of those currently living without permanent shelter are chronically homeless. We must continue to invest in the needs of these vulnerable and marginalized members of society, which will result in healthier, safer, and more productive communities.

I urge my colleagues to join me in working to end homelessness across our nation by supporting this important piece of legislation.

RECOGNIZING THE 2019 BLACK AND
GOLD SCHOLARSHIP BALL
AWARD RECIPIENTS

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2019

Mr. CONNOLLY. Madam Speaker, I rise to recognize the Joyce-Gillespie-Harrington Educational and Charitable Foundation and the Zeta Upsilon Lambda Chapter of the Alpha Phi Alpha Fraternity on the occasion of their 39th annual Black and Gold Scholarship Ball.

The Joyce-Gillespie-Harrington Educational and Charitable Foundation was incorporated in 2001 and was formed to provide financial support to the educational initiatives developed by the Chapter and Fraternity. It increases opportunities for achievement for young African-American men and women through scholarships, mentoring, and charitable services. The Foundation was named in honor of three community leaders and fraternity members, James Burwell Gillespie, Roosevelt Harrington, and Henry Louis Joyce who were dedicated to the ideals of "Scholarship, Community, Service and Love for all Mankind." Since its inception, the Foundation has awarded hundreds of thousands of dollars to local youth to assist them with continuing their education.

The programs offered by the foundation are vital to the success of our students. This year's Black and Gold Scholarship Ball will support scholarships for ten college-bound high school students. During the last nineteen years, one-hundred students have received scholarships awarded by the foundation and have attended some of the top colleges and universities in the country. With the typical college graduate's debt averaging about \$30,000.00, the Foundation's continued support of these students is absolutely critical.

I am pleased to include in the RECORD the following names of the 2019 scholarship winners:

Andrews Boateng—Stone Bridge H.S.; Jacklyn Bostic-Clarke—Broad Run H.S.; Ariana Frazier—TC Williams H.S.; Alexander Harvey—Freedom H.S.; Kevin M. Jackson—Lake Braddock S.S.; Abigail Jegels—Broad Run H.S.; Sydney Jenkins—Briar Woods H.S.; Cameron Miller—Broad Run H.S.; Andrew Otchere—Rock Ridge H.S.; Derrick L. Pough, Jr.—Loudoun County H.S.; Jonathan G. Williams—Tuscarora H.S.

Madam Speaker, these students represent our country's next generation of gifted leaders who will have great impact on our society and future. I thank the Joyce-Gillespie-Harrington Charitable and Education Foundation and the Zeta Upsilon Lambda Chapter of Alpha Phi Alpha Fraternity for their dedicated commitment to fostering success in our youth and commend all of the scholarship winners for their academic excellence. I ask that my colleagues join me in congratulating these talented students and in wishing them great success in all their future endeavors.

IN HONOR OF G. ROLAND VELA,
PH.D.

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2019

Mr. BURGESS. Madam Speaker, I rise today to honor the contributions of G. Roland Vela, Ph.D. to the City of Denton and the academic community. Dr. Vela is a retired professor at the University of North Texas, where he served as one of the first Latino faculty members. At UNT, he authored 75 scientific papers and books regarding Texas History. This history-maker also blazed trails as the first Hispanic member of the Denton City Council and one of the country's first Mexican-American Microbiologists. In honor of Dr. Vela's distinguished achievements, the City of Denton dedicated the G. Roland Vela Athletic Complex on May 26, 2019.

Dr. Vela was raised in San Antonio, Texas. During World War II, he joined the Texas State Guard at age fifteen and convinced his parents to sign release papers that would allow him to enlist in the U.S. Navy at just seventeen. Though the war concluded before he was assigned to a ship, the young Texan dedicated the following year of his life to the Navy in peacetime.

Following his honorable discharge from the Navy, Dr. Vela attended San Antonio Junior College. After transferring to the University of Texas at Austin, he took multiple jobs to support himself before graduating with a degree in bacteriology. In 1951, he received a scholarship for his master's degree in bacteriology, which he completed in just one year, followed by a doctorate in microbiology and biochemistry in 1963.

Dr. Vela later began a 35-year tenure as a professor at the University of North Texas in Denton, where he taught undergraduate and graduate courses in microbiology. He was chosen to be part of the American Academy of Microbiology and was named the Associate Dean of Science and Technology in the College of Art and Sciences. During his tenure at UNT, Dr. Vela oversaw the research of numerous students and mentored 20 doctoral students before retiring in 2000.

In addition to his many professional accomplishments, Dr. Vela is a public servant. He was the first Hispanic member elected to the Denton City Council, and has served on the Texas Municipal Power Agency Board of Directors as well as numerous boards and commissions.

The G. Roland Vela Athletic Complex is a fitting tribute to this remarkable North Texan. I join Dr. Vela's family, friends, colleagues, and students in celebrating this well-deserved honor.

RECOGNIZING KIMBERLEE BURKS

HON. ERIC SWALWELL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2019

Mr. SWALWELL of California. Madam Speaker, I rise to recognize the life of Kimberlee Ann Burks, on the occasion of her unexpected passing on Thursday, May 30, 2019.

Kimberlee's roots in Hayward ran deep. She was born at our very own St. Rose Hospital in January 1967. She enjoyed spending her childhood at our local landmarks, like Kennedy Park and then returned to settle in Hayward in 2015.

For the homeless populations in Hayward and Alameda County, Kimberlee was a champion. She modeled what a person could do for themselves and for other people. Regardless of whether you recently lost your job, had become a victim of the ever-increasing cost of housing in the Bay Area, or were struggling with an addiction, Kimberlee saw you as a human being first.

The Downtown Streets Team is where Kimberlee found the support that fostered her spirit for advocacy. She started as a peer advocate and peer leader where she introduced the group and its goals to those in search of support, work-experience, and secure housing in our community.

In addition to her work with the Downtown Streets Team, Kimberlee found community at Community Resources for Independent Living (CRIL), where she served as a housing search coordinator. There she served two vulnerable communities that she held dear, the homeless and the disabled through the coordination of housing search workshops.

Kimberlee volunteered throughout Hayward and Alameda County to raise awareness and restore dignity to our homeless population. Whenever she made a gain of her own in life, she was always looking for a way to help someone else.

In 2017, she came to Washington, D.C. and visited my office to represent and advocate for the needs of Alameda County's Healthcare for the Homeless program. Just days before she passed away, Kimberlee was in Sacramento with CRIL and other advocates seeking support for measures that would provide secure and stable housing and medical care for those with disabilities and older adults without access to other forms of insurance coverage.

Kimberlee led by doing. She was a force for good, and she is gone far too soon. She is survived by her mother, Barbara, and her two sons, Austin and Preston. They have my deepest condolences.

HONORING THE LIFE OF
CHRISTOPHER KELLY RAPP

HON. ABIGAIL DAVIS SPANBERGER

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 13, 2019

Ms. SPANBERGER. Madam Speaker, it is with great sadness today that I rise to honor the life of Mr. Christopher Kelly Rapp, a husband, son, musician, and public servant from Virginia's 7th Congressional District whose life was taken too early on May 31 of this year.

Friends and colleagues describe Mr. Rapp as empathetic, honest, and helpful. As a public works employee for Virginia Beach, Stafford, and Powhatan, he dedicated much of his working career to improving the lives of those around him. A man of deep faith, Mr. Rapp was also a devoted volunteer. In fact, he was scheduled to volunteer at an event to help the less fortunate on June 5th—an event which he was never able to attend.

In addition to his commitment to service, Mr. Rapp was known for the true and abiding love he possessed for his wife, Bessie. When they met, she was a travel agent and he wanted to travel the world. As husband and wife, they spent 24 years traveling it together. This abiding love also led to Mr. Rapp embracing his wife's culture by becoming an active member of Kultura Filipino. Through this group, he learned Filipino dances, empowered Pinoy children by teaching them about Filipino culture, and made his home a central location for all types of cultural communities from the Tidewater to Central Virginia.

Chris loved the experiences of life and was a life-long learner. Whether it was buying a Tagalog dictionary on his wedding day, starting piano lessons in his mid-50s, or avidly writing short stories, he capitalized on every second of life. He was renowned for his passionate performances on the bagpipe and served as a member of Greater Richmond Pipes & Drums, as well as Tidewater Pipes & Drums. These bands remember him for his love for music and eagerness to share his sound with the community.

I am heartbroken by the death of Mr. Rapp during the senseless shooting at the Virginia Beach Municipal Center. While I know that I can offer no true consolation, I offer my prayers and heartfelt sympathy to Mr. Rapp's wife, parents, family, and friends.

Madam Speaker, please join me today in commemorating the life of Mr. Christopher Kelly Rapp.
